Book Side Chair

Product facts

Materials

Body	Powder coated steel
Shell	Form-pressed veneer
Seat	Form-pressed veneer / Upholstery
Finish	Transparent lacquer

Technical features

Usage

The Book Side Chair is suitable for a wide variety of private, public and contract *indoor environments*.

Form-pressed veneer

Wooden parts are form-pressed in oak or walnut decorative veneers options (top and bottom veneer layer), while the beech makes constructive inner veneer layers. The Side Chair seat is also available as a textile or leather upholstered option.

Stacking box

Thanks to the stacking box under the seat shell, the upper chair would not leave marks at the upholstery or veneer surface of the chair below, as it would if the seat spacers are used instead of stacking box. Stacking box is made out of form-pressed veneer as well.

Metal base

The light metal base is made from Ø18 mm bent steel tubes. Available in black powder-coated finish with fine structure granulated surface.

Gliders

Plastic gliders are attached to the chair legs and are suitable for most private, public and contract flooring options. Felten gliders for sensitive floors available upon request.

Wood finish

The wooden parts are available in water-based transparent lacquer finishes.

Warranty

5 years

Colly quantity

2 pcs

Cleaning

Please see [Product](#) or [Material](#) page on our website.

Notes to consider

Variations

Natural variations in wood color and surface may occur. Regular maintenance will ensure the wood preserves its authentic beauty and can last for generations.

Product changes

Please note that Gazzda reserves the right to alter construction and design without notice.

Dimensions (tolerances)

The dimensions shown are indicative, they may vary due to the natural properties of wood, season, or manufacturing processes. Deviations from the specified size may occur, usually no more than 1 cm.

Environmental profile

Sustainable approach

One pivotal aspect of our commitment to sustainability is our firm dedication to sourcing wood only from FSC®-certified forestry. With 85% of GAZZDA products bearing the FSC® label (FSC-C130602), you can be assured of its ethical origin and contribution to preserving our precious forests.

Base Steel

Basic info

Design	Berin Spahić
Product size	W: 65, D: 56, H: 57
Packaging	W: 68, D: 59, H: 63
Volume	0,25 m³
Net weight	20,0 kg
Gross weight	22,5 kg

Item no. 660

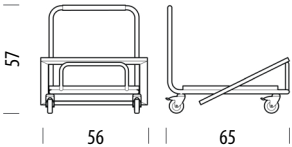

Four high quality wheels with brakes included • Assembled product

Stacking options	Non-upholstered		Upholstered	
	on trolley	on floor	on trolley	on floor
Book Armchair	8	6	7	5
Book Side Chair	10	6	9	5

Usage
The Book Trolley provides transportation and storage solution for stacking Book Armchair and Book Side Chair products. It is suitable for both upholstered and non-upholstered product variants.

Load-bearing capacity
Trolley load-bearing capacity is up to 120 kg in total.

Wheels
Swivel castors with brakes are attached to the base of the trolley allowing unrestricted motion in all directions and small turning point. The brakes on the all four wheels ensure a secure grip and a minimal danger of rolling.
