DESCRIPTION

The perfect concrete storage module to organize your space by creating a side table, a coffee table or a side table. Combine several modules, thanks to our rubber connectors, and you will be able to create more ambitious bespoke furniture: shelves, large coffee table, counter, room divider, display for a shop... Let's play with it!

DESIGNER

Alexandre Dubreuil's global experience, from the design of industrial objects to interior architecture for permanent spaces or events, leads him to reconsider the interactions between people, spaces and objects.
