

Discover Ashi: where elegance and growth come together. Named after the Japanese word for "feet," Ashi captures the essence of connection. The grace of **mid-century modern design** defines this collection, harmonising style and functionality.

Its subtle **monochrome look** enhances the refined and unified aesthetic. Ashi is where dreams and growth merge into lasting elegance. A touch of brilliance lies in its monochrome appeal, where the legs blend seamlessly into the structure, creating a symphony of design and function.

Available in the warm tones of chestnut, the timeless charm of clay, the natural beauty of honey ash, and the softness of cream, Ashi brings the **calming colours of nature** into your little one's room.

Crafted from **high-quality melamine**, this collection offers both **durability** and **easy maintenance**, meeting the everyday needs of modern parents. With surfaces that are **easy to clean and built to withstand daily use**, Ashi combines aesthetic appeal with practicality — making it the perfect choice for those who seek both beauty and convenience in their nursery furniture.

Quax

The Ashi Convertible Bed 140 x 70 stands out for its durability and adapts to your child through **three key stages**. It begins as a cosy, secure **crib**. As your little one grows, it transforms into a **toddler bed**, with an **optional safety barrier** for extra protection. The true transformation happens with the **Junior Kit**, which extends the bed to 170 x 70 cm, offering ample space up to **around the age of 10**.

This kit includes an extension for the slatted base to ensure proper support as your child grows, along with a convenient bedside table, perfect for keeping a favourite book or soft toy within easy reach.

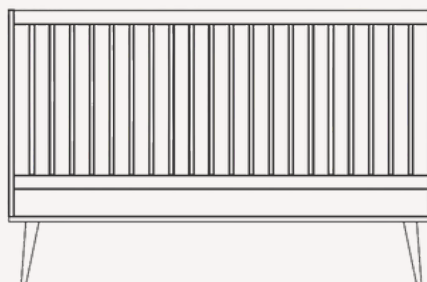

This thoughtful addition brings extra comfort and practicality, making the Ashi Convertible Bed more than just a place to sleep. It becomes a cherished part of your child's room as they grow up, *from baby to teen*.
