The Loft Convertible Bed 140 x 70 stands out for its durability and adapts to your child through **three key stages**. It begins as a cosy, secure **crib**. As your little one grows, it transforms into a **toddler bed**, with an **optional safety barrier** for extra protection. The true transformation happens with the **Junior Kit**, which extends the bed to 170 x 70 cm, offering ample space up to **around the age of 10**.

This kit includes an **extension for the slatted base** to ensure proper support as your child grows, along with a **convenient bedside table**, perfect for keeping a favourite book or soft toy within easy reach.
