

Discover the Nordic Rocking Chair, a harmonious blend of modern design and serene comfort, perfect for those special moments with your baby. This stylish chair is an invitation to enjoy the peace and security of your nursery together with your little one.

With its refined lines and elegant appearance, the Nordic Rocking Chair adds a touch of sophistication to any room, making it a beautiful decorative element that invites relaxation. The integrated headrest provides extra support during those peaceful rocking moments, when you cradle your little one in your arms. The minimalist design and lines create a calm atmosphere, ideal for sharing loving moments, whether it's rocking your baby to sleep or enjoying bonding moments.

Available in a selection of luxurious colours and soft teddy fabric variants, the Nordic Rocking Chair fits seamlessly into different styles of nursery. The wooden sleds are equipped with felt, ensuring scratch-free use on any floor. Make every rocking movement a special ritual and create an environment where both you and your baby feel safe and secure.

Experience ultimate comfort with the Hocker Rocker, a specially designed ottoman that perfectly matches your Quax Rocking Chair Nordic. This ottoman not only offers a place to relax your feet, but also has the same rocking functionality as your Rocking Chair, making your experience even more enjoyable. The Hocker Rocker is equipped with wooden sleds, which are finished with felt for scratch-free use, so you can enjoy a smooth rocking moment without any worries. The minimalist design and refined finish make this ottoman a stylish addition to any child's room or living room. The Hocker Rocker offers the perfect balance between functionality and elegance.
