## SPARROW CHANDELIER INSTRUCTIONS

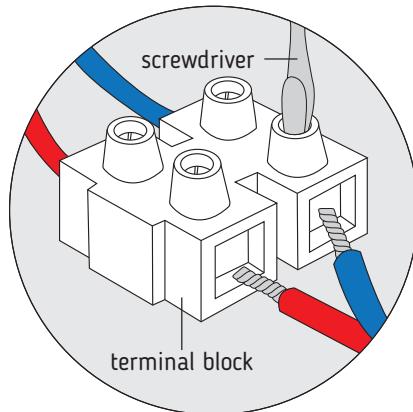

### HOW TO FIX THE CHANDELIER TO THE CEILING

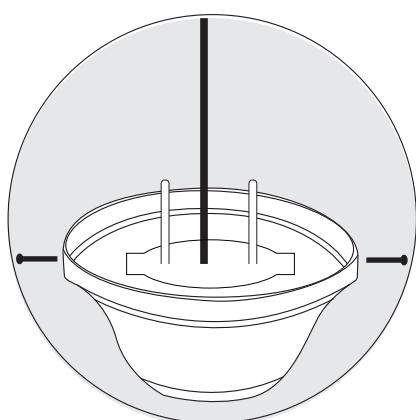

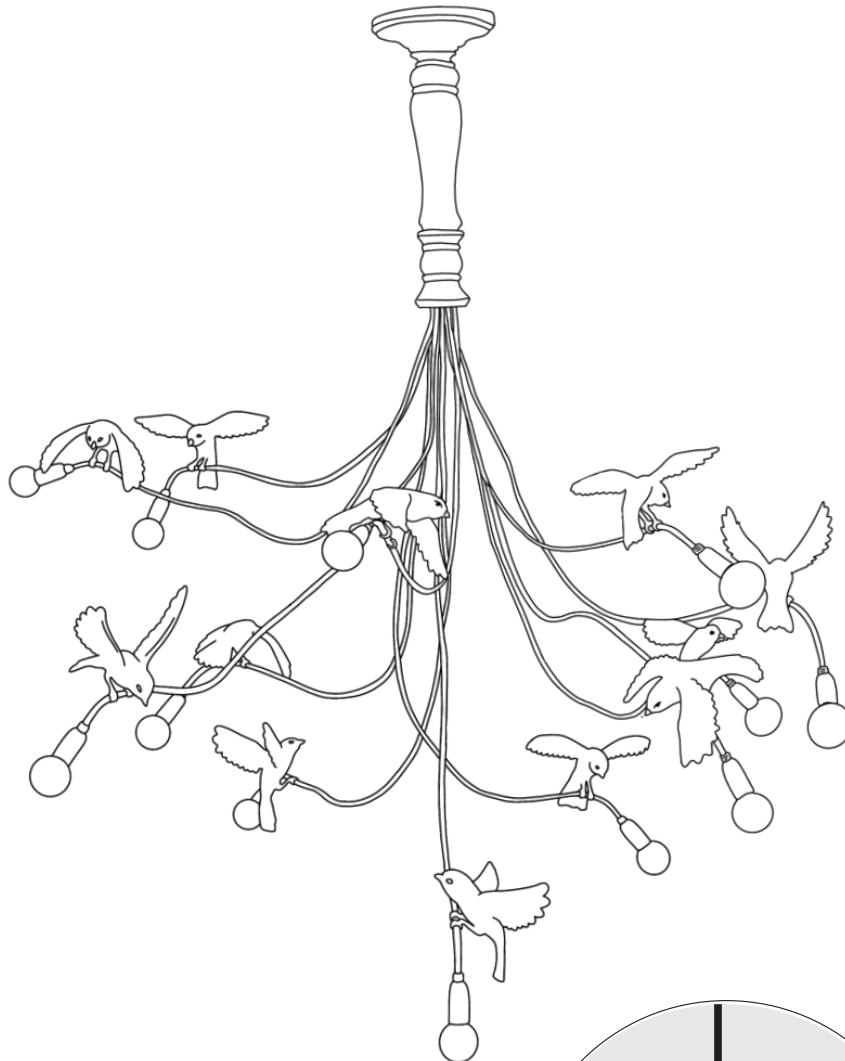

**1.** Unscrew the bracket  
from the resin base

**2.** Fix the bracket  
to the ceiling using  
the plugs supplied

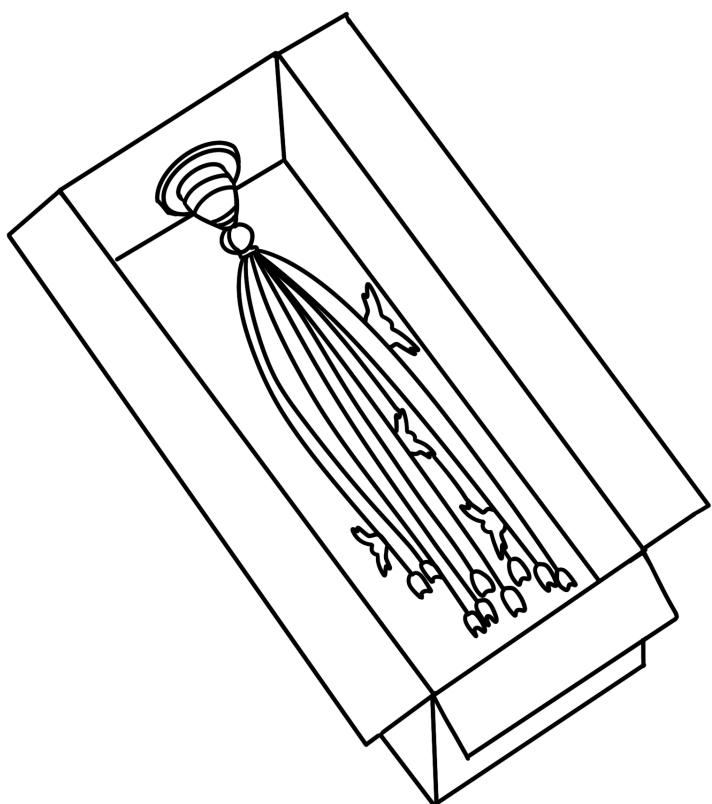

**2b.** Connect the wires  
using a terminal block: red  
cable connects with L, blue  
cable connects with N

**3.** Screw back  
the semi-sphere  
to the base

5. This is how the wires are packaged.  
Model the chandelier by the wires,  
NOT by the resin bird.
