

Lekko Cabinet

Product Fact Sheet

Product description

Introducing Lekko - surprisingly spacious cabinet with plenty of room for your personality.

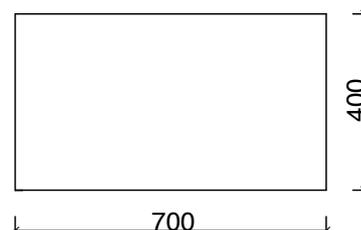

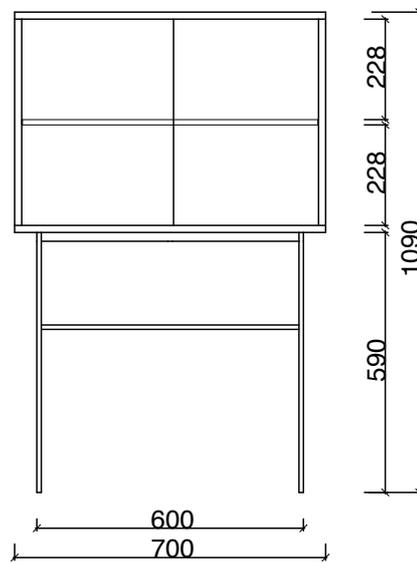

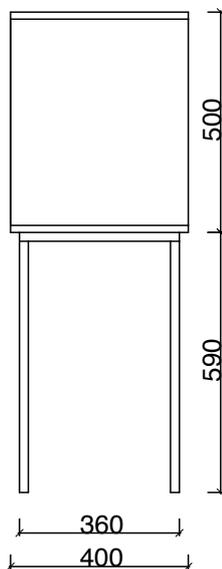

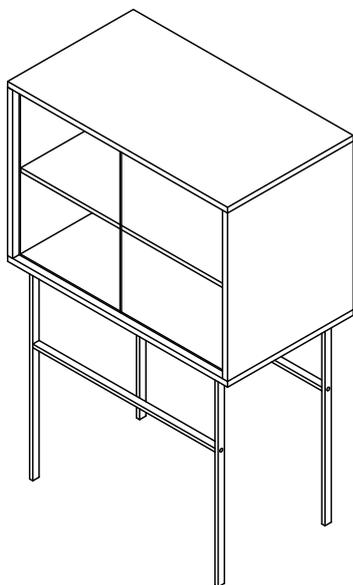

Lekko efficiently stores all living room accessories, dining room china or bathroom essentials, effortlessly fitting in every limited space. Cabinet includes one middle-shelf which can be easily disassembled to store higher objects. Its inner space is easily accessible thanks to flawlessly sliding glass doors made of carefully selected glass.

Smooth surface of the board and exciting transparency of a structured glass brighten up every interior, bringing exceptional peace to your mind.

Packaging

This furniture is flat-packed to assure security during transportation, easy lifting and carrying as well as reduce its carbon footprint. The packaging itself is also eco-friendly with almost zero use of plastic.

Assembly

All of our furniture are preassembled which means that all the pieces are already ready to use. Final assembly is simply connecting these pieces together using special connectors placed in all the components. This process is easy and does not require any special tools.
