V1.0 Jan 2025

The Rocking Chair Basic is not just a chair; it's a symbol of love and nurturing for you and your baby. This chair beckons you for tender moments of feeding and comfort, remaining a timeless piece in your life even after the baby phase is over. The gentle rocking motion soothes your baby with loving tenderness, while the wooden runners are equipped with felt to prevent scratches. Extra soft and cosy with the Teddy version.

Experience ultimate comfort with the Hocker Rocker, a specially designed ottoman that perfectly matches your Quax Rocking Chair Basic. This ottoman not only offers a place to relax your feet, but also has the same rocking functionality as your Rocking Chair, making your experience even more enjoyable. The Hocker Rocker is equipped with wooden sleds, which are finished with felt for scratch-free use, so you can enjoy a smooth rocking moment without any worries. The minimalist design and refined finish make this ottoman a stylish addition to any child's room or living room. The Hocker Rocker offers the perfect balance between functionality and elegance.
